Dear Mr. Viau,

I am writing on behalf of the N.D.G. Senior Citizens' Council to endorse the proposed CLSC NDG/Montreal West re-location to the Benny Farm site.

Many of our members, both volunteers and service-users, have found themselves in need of CLSC services from time to time. We have heard about the difficulties of the present location on many different occasions. We feel that the proposed change will allow for a more centralized and accessible site, which will benefit residents of all ages.

We look forward to the conclusion of this consultation in the hope that the CLSC N.D.G./Montreal West will have, at last, a new location to better serve residents of all ages.

Sincerely,

Sheri McLeod
Executive Director
