

B.C.M.  
00-164

BY-LAW AMENDING THE BY-LAW CONCERNING THE DEVELOPMENT PROGRAM  
OF THE UNIVERSITÉ DE MONTRÉAL AND ITS AFFILIATED SCHOOLS (96-066)

At the Montréal city council meeting of September 11, 2000,

it was enacted that:

(00-164) 1. The first paragraph of article 2 of the By-law concerning the development program of the Université de Montréal and its affiliated schools (96-066) is amended by adding "and 597" after the words "articles 7 and 8", and by adding, at the end of the first paragraph, the words " , articles 1.6.5 and 1.6.6 of the Plumbing By-law (R.B.C.M., chapter P-4.1), and article 15 of the By-law concerning water supply and public sewer use (R.B.C.M., chapter A-4)".

(00-164) 2. Article 9 of that by-law is amended by adding the following paragraphs after the second paragraph:

"The development parameters shown on the plans of schedule C entitled "Paramètres de développement" are amended, for sector J, by the plan entitled "Modification des paramètres de développement pour le secteur J", attached to schedule C.

In sector J, the building line shown on the plan of schedule C entitled "Paramètres de développement" may be reduced along the Chemin de Polytechnique to provide for the displacement of Chemin de Polytechnique and the layout of the belt road."

(00-164) 3. That by-law is amended by adding the following section after section VIII of chapter III:

"SECTION VIII.1

SEWER AND AQUEDUCT

19.1. For the territory referred to in paragraph 1 of article 1, the building sewer and the water service pipe of a building may be connected to a private system."

(00-164) 4. Schedule C to that by-law is amended by adding the plan entitled "Modification des paramètres de développement pour le secteur J", stamped by the Service du développement économique et urbain on July 7, 2000. \*
