

I am a homeowner and resident in the Shaughnessey village. There have been numerous new buildings built in my surrounding area in the last 2 years and many other apartment & condo building projects almost finished. The mayor talks about the importance, to a vibrant downtown, of keeping families. How does one keep families unless the area has safe parks and schools to service families. This monstrous project will have a park and community center... yes, BUT what size. SIX huge towers don
